Nigeria – Leadership Initiative for Transformation and Empowerment (LITE-Africa)

LITE-Africa is a Nigerian non-governmental organization (NGO) focusing on 'Governance & Human Rights', 'Sustainable Livelihoods & Health', and 'Humanitarian Support Services' in the Niger Delta. As part of its 'Governance & Human Rights' emphasis, LITE-Africa is involved in projects and research promoting the engagement of transnational companies with communities and oil revenue transparency. LITE-Africa is currently conducting a training workshop on the 'Voluntary Principles'.
